Mr. Richard D. Marriott
Head, BBC Monitoring Service
Caversham Park
Reading, Berks., England

Dear Richard:

I am back at my desk in Washington with at least three months steady work lined up, but before attacking it I want to express my appreciation for your kindness, hospitality, and cooperation during my visit.

I was very happy to meet Mrs. Marriott and share the anguish of all the BBC Monitoring Service and the FBIS London Bureau over the departure of the Marriotts for the wilds of North Ireland.

I have not referred to my notes as yet. There may be some few points that were left unresolved as a result of our talks. If this is the case, I will write to you again in the very near future.

Sincerely,

STAT
